Auckland Blokart Club

The Auckland Blokart Club was incorporated in July 2005 and has now grown to over 60 members.

The club has members who are happy to help – whatever your sailing experience. Sailors of all ages and both sexes compete together on a level playing field.

Club Events

The club meets most Sundays at Ardmore Airport. On non-race days we hold informal self-handicapping racing and other fun activities.

The club runs three race series a year

- Pre and post Christmas Sunday

afternoon racing during daylight saving period

- Winter series once a month on Sunday afternoons. Members compete for trophies for scratch and handicap places

After these events a prize giving social is held.

Auckland Blokart Club competes against the other Clubs for a teams racing trophy.

Twice a year we have three-day trips to Ninety Mile Beach for some fun sailing.

We organise beach meets on the weekends when the wind and tides are suitable for a fun sail. After sailing on Sunday afternoons the BBQ is fired up and members gather to swap Blokart sailing and tuning tips and to discuss the day's and upcoming events.
